---

NOW COMES Stephanie Kelly, *pro se*, and states:

1. Plaintiff respectfully requests that she be afforded an additional 30-day extension of time up to and including Monday, December 2, 2024 to file any *Objection* to the Magistrate's *Report and Recommendation* ([Doc 11](#)).
2. Plaintiff further respectfully requests that the Magistrate also issue an order on her *Motion for Clarification* ([Doc 13](#)) filed November 1, 2024 *prior to* any deadline for Plaintiff to file further substantive responsive pleading(s) to the Magistrate's *Report and Recommendation* ([Doc 11](#)).
3. Further, only *yesterday* (October 31, 2024), New Hampshire Supreme Court Associate Justice Barbara Anna Hantz Marconi was suspended from the practice of law in New Hampshire for a time period coextensive with her administrative leave. *See LD-2024-0014, In the Matter of Barbara Hantz Marconi, Esq.*
4. Justice Marconi approved an order in the related state court proceedings that is included in [Doc 7-1](#) in this matter. *See pages 40-41.*
5. Plaintiff also requires additional time to research what, if any, relevance this recent development has on her claims in this case.

6. For the foregoing reason(s), Plaintiff therefore respectfully requests a 30-day extension of time up to and including Monday, December 1, 2024 to file any further substantive response to the Magistrate's *Report and Recommendation* ([Doc 11](#)).

WHEREFORE, Plaintiff respectfully requests that this Court:

- A) Provide a 30-day extension of time up to and including Monday, December 2, 2024 to file any further substantive responsive pleading(s) to the Magistrate's *Report and Recommendation* ([Doc 11](#)); and,
- B) For other such relief as is just and equitable.

Respectfully submitted,

*/s/ Stephanie Kelly*
